# ABOUT US

## WHY CHOOSE COAST TO COAST CARPORTS, INC.?

Between our quality products, fair prices, outstanding customer service, and passion for helping others, you won't find another steel building company that offers what we do. Coast To Coast is one of the largest manufacturers in the metal building industry. And it's because of our manufacturing facilities across the country, that we're able to deliver our products to our customers throughout most of the United States. While we offer one of the largest selections of steel buildings, you can also opt to design and customize one for yourself. And with such a wide variety of customization options, it's nearly impossible to not get the metal structure of your dreams.

## OUR VISION

Our vision here at Coast To Coast Carports, Inc. is to continue providing our customers with high-quality steel structures and staying ahead of our competition with our honesty and integrity, while turning satisfied customer experiences into lasting relationships.

## COMPANY VALUES

- Taking responsibility for all of our actions, decisions, policies, and products.
- Being committed to providing outstanding products and services.
- Giving back to our community by contributing time and effort.
- Taking chances to further help the company.
- Maintaining honesty and honor in all we do.
- Building long-lasting relationships with our employees, customers, and business partners.

**\*Rent to Own Available** Only In Participating States, and Participating Dealerships

# CERTIFIED STRAIGHT ROOF STYLE BARN 40 LBS PSF

**RENT TO OWN**  
No Credit Check!

Open ends, gables, and sides.

Fully enclosed lean-tos, 2 garage doors,  
1 walk-in door, and vertical roof.

## ➤ STANDARD FEATURES Rated for 40 PSF GSL

Straight Roof Barn features include the following: 14 gauge galvanized steel framing spaced at 4' on center or less and 29 gauge metal roofing. The Straight Roof Barn package include leg bracing for additional strength and stability, as well as both front and back gable ends on the main section and both lean-tos of the barn. The base leg heights are 12' & 10' tall. Coast to Coast Carports, Inc. is not responsible for stopping, or repairing leaks under base rails.

**\* Rent to Own Available** Only In Participating States, and Participating Dealerships

# CERTIFIED 40 LBS PSF GAMBREL STYLE BARNS

To price a Gambrel Style Barn, simply add the cost from the table below to the All-Vertical Fully Enclosed Building you are interested in.

	20' Long	25' Long	30' Long	35' Long	40' Long	45' Long	50' Long
<b>12' to 20' WIDE</b>	\$1,330.00	\$1,480.00	\$1,660.00	\$1,810.00	\$1,990.00	\$3,040.00	\$3,190.00
<b>22' to 24' WIDE</b>	\$3,210.00	\$3,390.00	\$3,540.00	\$3,690.00	\$3,870.00	\$4,020.00	\$4,200.00
<b>26' to 30' WIDE</b>	\$4,730.00 + DOUBLE LEG OPTION	\$5,120.00 + DOUBLE LEG OPTION	\$5,690.00 + DOUBLE LEG OPTION	\$6,110.00 + DOUBLE LEG OPTION	\$6,500.00 + DOUBLE LEG OPTION	\$6,920.00 + DOUBLE LEG OPTION	\$7,310.00 + DOUBLE LEG OPTION

## Lift Required

**NOTE:** Site-Specific drawings required on 13' or taller at additional cost.

**NOTE:** Building must be vertical and fully enclosed in order to get Gambrel Style Barn. Customer is also responsible for providing the proper lift (Reach Lift) to ensure a safe and efficient install.

## HOW TO PRICE INSULATION

### 1. ROOF

Add extra feet to width of roof

EXAMPLE: A-FRAME 18' Wide X 25' Long X 7' Height

WIDTH	REGULAR	A-FRAME
12' - 22' Wide	2' Add On	2' Add On
24' Wide	2' 6" Add On	2' 6" Add On
26' Wide	2' Add On	3' Add On
30' Wide	2' Add On	3' Add On
32' Wide		3' Add On
34' - 60' Wide		3' Add On
61' - 70' Wide		10' Add On

- (Width) + (Extra Ft.) = (Answer)
- (Answer) x (Length) = Square Footage
- (Square Footage) x (\$2.00) = Cost

$$\begin{aligned} 1. (18') + (2') &= (20') \\ 2. (20') \times (25') &= 500' \\ 3. (500') \times (\$2.00) &= \$1,000.00 \end{aligned}$$

**TOTAL**

**\$1,000.00**

### 2. SIDES

- (Length) x (Height) = Square Footage
- (Square Footage) x (\$2.00) = Cost
- (Cost) x (2) = Both Sides Cost

$$\begin{aligned} \text{ONE SIDE COST} \\ 1. (25') \times (7') &= 175' \\ 3. (175') \times (\$2.00) &= \$350.00 \end{aligned}$$

**\$700.00**

$$\begin{aligned} \text{BOTH SIDES COST} \\ \$350.00 \times 2 &= \$700.00 \end{aligned}$$

**\$700.00**

### 3. ENDS

- (Leg Height) x (Width) = Square Footage
- (Square Footage) x (\$2.00) = Cost
- (Cost) x (2) = Both Sides Cost

$$\begin{aligned} \text{ONE END COST} \\ 1. (7') \times (18') &= 126' \\ 3. (126') \times (\$2.00) &= \$252.00 \end{aligned}$$

**\$2,204.00**

$$\begin{aligned} \text{BOTH ENDS COST} \\ \$252.00 \times 2 &= \$504.00 \end{aligned}$$

**\$504.00**

**Thermal Barrier**

**Radiant Barrier**

**Vapor Barrier**

**NOTE:** If you are needing special drawings or wet stamped drawings for your building, there will be an additional charge.  
**NOTE:** Site-Specific drawings required on 13' or taller at additional cost.

\*Rent to Own Available Only In Participating States, and Participating Dealerships

# **EXTRA OPTIONS & UPGRADES**

**J-Trim:** J-trim is used as decorative trim underneath extra paneling on the sides of carports, around walk-in doors and windows.

**Corner Trim:** Is used as decoration on the corners of the buildings to provide a finished look.

**Boxed Eve Trim:** Is used as a finishing touch on boxed eve carport designs. The trim provides a boxy look on the sides of the carport.

**L Trim:** L-Trim is used as decoration on the ends of regular style carports to provide a finished look. L-trim is also used around the edges of garage doors and on portions of the Box-Eve model carports.

**Hat Channels:** Are installed on vertical buildings. They are used to secure panels to the roof, sides and ends of the building.

**Ridge Cap:** is used only on vertical buildings and is installed in the middle of the roof where the panels meet.

**Gable Ends:** A steel panel usually installed horizontally, with the same curve as the bow of the building. They can be installed on either end of the building, and extends from the top of the legs up. Gable ends can also be installed vertically at an additional cost.

**Rebar Anchors:** Rebar is a common steel reinforcing bar. Our rebar anchors are made from this reinforcing bar, and they are approximately 3' long. They have a 5/8" nut welded onto one end. They are installed through a hole drilled into the base rail, and they secure the building in both ground and asphalt installations.

**Corner Braces:** Corner braces are U-shaped channels that are used to assist in reinforcing the structure of the building.

**Mobile Home Anchors:** Mobile home anchors are used to secure the building in a ground installation only, and are used primarily on certified buildings. They are helical in design. They can be installed as an option on all other buildings at an additional charge.

**NOTE:** If you are needing special drawings or wet stamped drawings for your building, there will be an additional charge.  
**NOTE:** Site-Specific drawings required on 13' or taller at additional cost.

**\*Rent to Own Available** Only In Participating States, and Participating Dealerships.

# ***Leveled Land Awareness***

Coast To Coast Carports greatly appreciates your purchase, however, it is imperative that your ground is professionally leveled before the unit can be installed. Coast To Coast Carports, & our subcontracted installation crews will not be able to install the structure if any of the following are indicated at the construction site. Please contact your Coast To Coast Carports' Customer Service Specialist if you have any questions or concerns.

Wall Installation - 3 Feet Maximum

No Installs on Stacked Blocks

No Installs on Floating Docks

No Installs on Unlevel Land

Slab Must Be Level & Square

No Installs on Slopes Over 12%

Buyer ensures Coast To Coast Carports that the ground is professionally level while also acknowledging that if the installation crew is unable to install the structure due to an unlevel foundation there will be a return trip fee along with a restock fee that must be paid before returning to the site.

Thank you for your understanding, and once again, we appreciate your business.

# **ROOFING AND SIDING COLORS**

**Coast to Coast Carports, Inc. offers 17 different color options that you can choose from, making it easier to match the surroundings.**

COLORS MAY VARY SLIGHTLY

## **OPTIONAL GROUND CONCRETE SUPPORT**

**NOTE: This is not an anchor.**

**\$200.00 Each**

**Recommended for Carports taller than 8 ft to avoid sway.**

**WE ACCEPT**

**NOTE:** If you are needing special drawings or wet stamped drawings for your building, there will be an additional charge.  
**NOTE:** Site-Specific drawings required on 13' or taller at additional cost.

## TESTIMONIALS

### Melissa Fulls

Arrived at 7:05, had the carport up & ready to go in an hour. Crew was professional & did a great job!

### Becky Baird Thermopolis, Wyoming

Awesome workers. Super 24x40 enclosed with 2 garage doors and 2 shop doors and time building was incredibly fast and efficient. I bought the workers to go boxes with Mexican food and tipped them well. I can't thank you enough for the fine work.

### Mrs. Sue Sweetma Board Camp Arkansas

I would like to compliment you on your crew, the four young men that came to install my carport were very polite and professional. I was really amazed at how fast they got the job done and it looks fabulous. I would highly recommend Coast-to-Coast to anyone.
